Langmeil
BAROSSA

THREE GARDENS SMG

STORY BEHIND THE WINE

The old Barossa vigneron referred to his vineyard as his garden. Our Three Gardens in Tanunda, Lyndoch and Vine Vale are the source of this red blend. These Shiraz, Mourvèdre and Grenache vines demonstrate perfectly the benefit of combining pedigree varieties, a traditional quality blend of the region.

Shiraz, Mourvèdre and Grenache have provided inspiration for the Barossa since the 1840s. When blended together they are responsible for some of the great wines of the world and have stood the test of time with a proven pedigree over the past 200 years. Maturation in seasoned oak for twelve months ensures we don't overpower the fruit and spice, retaining the finesse.

THE WINERY

Langmeil Winery embodies the ideals inspired by the refinement of knowledge shared from generations of Barossans – real people making real wine. Family owned and operated, the Lindner family is dedicated to producing wines from the varieties that have proven their qualitative attributes for generations.

WINEMAKER'S NOTES

2010 VINTAGE REPORT

The Barossa experienced its best rainfall in five years during the winter and spring of 2009 and provided good soil moisture for the onset of the growing season. Late spring was fairly mild with some moderately warm days, resulting in an early budburst. Warm and mild weather ensued for the remainder of the growing season so canopies remained very healthy and ripening accelerated for an early vintage. The onset of cool nights in mid-March slowed the final harvest for some later varieties and vineyards. In summary, the 2010 wines are proving that this has been an exceptional year for the Barossa.

COLOUR: Medium depth crimson with purple hues.

AROMA: Lifted aromas of fresh, bright blue fruits and raspberries mingle with subtle chocolate and creamy notes.

PALATE: Lovely, juicy blue fruits and raspberries dominate the medium bodied palate with complex characters of briary spice and white pepper which morph into a dark chocolate and cherry finish.
