

LANGMEIL  THE LONG MILE

Langmeil
BAROSSA

Valley Floor Shiraz

Story Behind the Wine

The Barossa Valley is famous for its viticulture, history and winemaking dating back to the 1840s. At its heart is the Valley Floor, a highly-prized strip of prime viticultural land which is the very foundation and forms the essence of this wine. A true taste of the Barossa.

Local knowledge has helped us select and secure prized Shiraz across the breadth and depth of the Barossa while retaining the foundation fruit from the Valley Floor. The combination of hands-on winemaking and vineyard diversity results in pure Barossa Shiraz.

Winemaker's Notes

2013 Vintage Report

2013 was definitely a vintage of highs and lows. Fortunately the highs were the quality of grapes across all varieties. The lows unfortunately were the yields, with some Shiraz vineyards down by 50% - 80% as a result of extremely low rainfall during winter and spring. The Barossa Valley received only half of its average rainfall between July 2012 and March 2013 creating a very stressful environment for grape growing, especially for dry grown vineyards like the Freedom which yielded less than one tonne per acre. The low yields ripened early and quickly so vintage kicked off two weeks early, with a mad rush to keep ahead of rapidly rising sugar levels. A large percentage of our harvest was completed before March and for the first time ever we were finished with picking well before ANZAC day and our Bella Rouge Rose was in the bottle by mid-May. Overall the quality was high with intense colour and flavour, ripe tannins and surprisingly good acidity with most red parcels and the whites showing great varietal character and acid balance. I'm extremely happy with the 2013 wines, there just won't be as much of them to share.
