## LOT-36 SHIRAZ CABERNET

### STORY BEHIND THE WINE

Pioneering Barossa vigneron, Christian Auricht, settled LOT-36, Langmeil Village in 1842, the place he would call home for the rest of his life. This bold Shiraz Cabernet celebrates the quintessential Australian blend and is a great example of the complexity and harmony these noble varieties can achieve.

## WINEMAKER'S NOTES

### 2017 VINTAGE REPORT

The Barossa experienced a wetter and cooler (2°C) than average winter and spring with good soil moisture levels. Vines grew slowly but healthily, mostly flowering well and setting a good number of bunches. Temperatures were below average in December and January with few heat spikes and rains of 40mm spread evenly over four events kept the vines healthy with unhurried veraison. The 30-40mm summer rain of 4-6 February were followed by windy conditions and four consecutive 37°C days, helping to dry out canopies and preventing berry split. Additionally, soil moisture levels were topped-up, maintaining the canopies during a cooler than average summer. The rest of February remained dry, and a warm March (average maximum temperature 28°C) saw the beginning of an Indian Summer which lasted until the third week of April with above average temperatures (2.5°C). Perfect grape ripening weather with balanced sugars, colours and natural acidity. These conditions resulted in a later harvest, some three to four weeks, than recent years, which was a return to 'normal'. The delayed harvest allowed grapes to ripen more slowly and evenly with a gradual accumulation of sugars and flavours, which is what we look for when making high-quality Barossa wines. The yields were around 20-30% higher than the five-year average. Eden Valley Riesling is predicted to be a stand-out this year and another great year for Barossa Valley Shiraz which promises to deliver an array of styles from bright and aromatic wines from the earlier-picked vineyards through to concentrated, intense and well-structured wines.
