

2019 PURE EDEN SHIRAZ

STORY BEHIND THE WINE

Pure Eden is a single site wine, made from an Eden Valley vineyard planted by Charles Angas in the 1890s. Later owned by the Shiltons 1911 -1926; Meakins 1926-1929; Roeslers 1929-1961; Andretzkes 1961-2011 and now the Lindner family. This wine is a reward for these guardians' efforts for more than one hundred years.

THE WINERY

The Lindner family of Langmeil Winery has been immersed in the Barossa's culture of farming, food, wine and community for six generations. Their commitment to quality in all aspects is unwavering and any wine that bears the Langmeil name represents the family's pursuit of excellence in wine and community.

WINEMAKER'S NOTES

2019 VINTAGE REPORT

2019 was the smallest vintage in twenty years due to a drier than average growing season with spring frosts. What little fruit there was ripened quickly in the hot, dry conditions of January and February, with a mad rush to pick before sugar levels became excessive. On the plus side, the lack of rainfall meant there was no disease pressure this season. The reds will be bold, dark, rich and long-lived. Sadly, they will be in very short supply.

Colour: Medium to deep crimson with purple hues.

Aroma: An alluring bouquet of red and blue fruits leap from the glass with roasty, savoury notes and hints of black olive, cedar, earthiness and white pepper.

Palate: A medium to full-bodied wine with juicy Satsuma plum and raspberry fruits with plenty of velvety tannins adding structure and texture to the wine. Sweet and briary spices balance the juicy fruit with a subtle cedar note carrying through to the finish.

Cellaring: 2021-2036

Food match: Beef cheeks; Osso Buco; Fillet Mignon.

Paul Lindner, Chief Winemaker

GEOGRAPHICAL INDICATION

Eden Valley

GRAPE COMPOSITION

100% Shiraz

OAK TREATMENT

49% new French oak and 51% seasoned French oak

TIME IN OAK

Twenty-four months

VINE AGE

110 to 120-years-old

SUBREGIONAL SOURCE

Flaxman Valley

YIELD PER ACRE

1.8 tonnes per acre

TRELLISING

Rod and spur

SOIL TYPE

Grey sandy loam (decomposed granite) over sandstone, ironstone and granite

HARVEST DETAILS

28 March and 10 April

TECHNICAL ANALYSIS

Alcohol: 14.5%

pH: 3.42

TA: 6.6g/L

Residual Sugar: 2.44g/L

VA: 0.5g/L
